Dear _____ ,

Do you know about the great youth group we have at _____ ? What you might not be so aware of is that we've been working hard to make sure that everything we do is accessible and inclusive for everyone, a place where all young people can belong.

We would love _____ to find a place of belonging here with us. We would like to invite you as a family to join us, and to try it out for yourself. We really hope you like it here as much as we do!

Our next youth group meeting is _____ but we would also like to invite you to come and meet a couple of us and to have a look around first - just so you know what to expect when you come to meet the rest of the youth group. You can also let us know what we need to do to make sure _____ has the very best time with our youth group.

Please contact me _____ or _____ at _____ so we can arrange your visit.

We're so looking forward to meeting you, and for _____ to join our youth group!
